## Excerpts

Think of what your  
heavenly Father is like.  
Remember what He has  
promised and say:

My Father, You love me  
and are always  
thinking of me.

My Father, You answer  
my prayers for  
Jesu's sake.

My Father, You take  
care of me.

My Father, You have  
provided a way  
out of my troubles.

My Father, You are able  
to change every  
situation; nothing is  
impossible for you.

My Father, You are a God  
who performs miracles  
today as long ago.

### My help comes from the Lord.

Ps. 121:2

You have to follow a hard path and scarcely know how to manage any longer. But there is a way. Say with every bitter step you take,

"God is but goodness, His will is pure love, And His paths are always the best!"

Whatever you say, trusting in His love, you will experience. You will be consoled. Night will be turned into day for you. Everlasting joy will flow into your heart. Jesus will draw close to you. You will receive help.

"Is any one among you suffering? Let him pray" (James 5:13).

Usually we do just the opposite. We stop praying when our heart is laden with suffering. And that is what Satan wants to achieve. He knows that prayer is our sole means of deliverance when

we are in great need. Only prayer can uplift our sad hearts; only prayer can transform our distress, within and without....

"Wait for the Lord; be strong, and let your heart take courage; yea, wait for the Lord!" (Psalm 27:14). Be patient. Learn to wait in humility for God's hour. His help will surely come, even if it seems to be delayed. Only He knows when the right moment has come, and His timing is always perfect. Believe that God, because He loves you, will never come too late with His help...

You do not know where your path will lead. But you do not need to know. Just take the next step. The Father will bring you through this stretch of the way. And after that God will show you what step to take next. You will see that God was helping you step by step, day by day...

My help comes from the Lord,  
who made heaven and earth.

Claim such a verse as sure promise which the Lord has given you and which He will fulfill. Bring it before Him in prayer again and again and take your stand on His word in faith:

You have been my help,  
therefore in the shadow of  
your wings I will rejoice.

It is a matter of firmly expecting His help. He will live up to His name of Yes and Amen. He cannot deny His own nature. He is a Father, and His love compels Him to help and deliver His child. We may trust that

He will deliver the needy  
when he cries: His promise  
and His love have not failed.

Only if we reckon with God like this, thinking of Him as a loving Father, will we actually experience His help. For Holy Scripture testifies that God deals with us according to the concept we bear of Him in our hearts: "As I live," says the Lord, "just as you have spoken

### The Release

What a wonderful ray of hope! In these dark and oppressive times there is Someone who knows you, Someone who knows everything that is in your heart, Someone who knows what is depressing you.

It is God, your heavenly Father. He has created you.

You are His child and this is why He cares so much for you. His heart feels for you. That means, when you are sad, He suffers with you; when you are happy, He is happy with you; but when you have sinned, His heart is filled with grief, for sin is your downfall.

This is what the heart of God is like... and love, love alone, is in the heart of your Savior and Redeemer, Jesus Christ...

Director of Religious Education:

Thank you for our shipment. I showed the bookmarkers you sent to our Division Chaplain. He was very interested and expressed a desire to receive more, if at all possible. He is concerned that if he asked for **15,000** it might be unreasonable and a hardship on you and your order. I told him I would write and ask. If it is possible, please send them to:...

I am very appreciative for the support that is provided to all service members. The materials have been presented to the Hospital Staff and Patients. Everyone was so pleased to receive the materials and there have been requests for more items. Thank you...

Dear Sisters,

I wanted to take this opportunity to write and thank you for your expressions of love and support to the crew of the USS SYLVANIA. I wish I could express how much your gift has meant to us, but words do not begin to match what we truly feel....We thank you from the bottom of our hearts...

**Fort Campbell 12-16-02**

We have received the material and it is genuinely appreciated. I have reviewed the material and am very pleased with the Christ-centered content. I know our soldiers will find His peace and presence as they read the literature. I was impressed with the booklet, "I Will Fear No Evil." That is especially apropos for our soldiers that would deploy. Request that we would receive another 1,000 copies if that is possible. Again, thank you so much ...
